Donations

All donations go to improving the lives of those living with aphasia.

Contact us for more information.

Halton-Peel Community Aphasia Programs

Weekly conversation groups for adults living with aphasia. We help clients, family members, and care partners:

- Have better conversations
- Learn about supports and programs in the community
- Improve quality of life living with aphasia

We also provide aphasia information and training sessions.

What is Aphasia?

Aphasia is a language disorder caused by a stroke, brain injury, or brain illness to the part of the brain that controls communication.

Aphasia may cause difficulty with:

- speaking
- understanding language
- reading
- writing

but does not affect intelligence.

Who attends our programs?

People who:

- Have aphasia or (other acquired communication disorders) and want to improve their communication skills
- Are medically stable and live in the community
- Have no/minimal cognitive difficulties
- Have access to technology
