10th Annual Walk for Aphasia

Use these templates to help reach out to friends, family or local businesses by text or email to raise aphasia awareness and invite others to participate in or donate to support of our Walk for Aphasia.

Text Message Template

Hey! I'm walking in H-PCAP's Walk for Aphasia on June 19 to support adults living with aphasia in our community. Would you consider donating? Even a small amount helps! 💙 Thanks so much! https://www.zeffy.com/en-CA/peer-to-peer/10th-annual-walk-for-aphasia

Subject: Walk with me — or help me reach my goal!

Hi [Name],

I am excited to be joining H-PCAP's 10th annual **Walk for Aphasia** on **Friday, June 19, 2026** at Chinguacousy Park in Brampton — and I'd love your support!

This event brings together individuals living with aphasia, families, friends, and supporters to raise awareness and funds for a community that is often overlooked.

Halton-Peel Community Aphasia Programs (H-PCAP) provides life-changing programs for adults living with aphasia — a communication disorder caused by stroke, brain injury, or brain illness that can make everyday conversations difficult and lead to isolation.

Through communication groups, mental health support, caregiver programs, and community connection, H-PCAP helps people rebuild confidence and reconnect with others.

Whether you join me at the walk, cheer from afar, or make a donation, your support truly makes a difference.

👉 Donate or register here:

Thank you so much for your support. It means a lot to me and to everyone impacted by aphasia.
